

59th Annual Firefighter's Drill School
Vendor Application Form
September 17th - 20th, 2026

The Firehall will be open to drill school attendees from Thursday evening (9/17/26) thru Saturday evening (9/20/26). Vendors are encouraged to set up Thursday evening (we expect a good crowd this night for the Bills 1st game at the New Highmark Stadium starting at 8:15 pm) and take down Saturday afternoon / evening.

There are no other changes this year, we will be designating the indoor vendor booth space by your choice of 6 foot or 8 foot table spaces to provide you with a more accurate idea of your space.

To reserve space, please complete the attached form and email it back to ensure your booth space is reserved. All vendors from 2025 have your spots reserved.

The Fire school committee is requesting the same fee for space in lieu of a door prize gift.

6 foot table - \$75

8 foot table - \$100

Truck Space - \$200

Please make checks payable to Old Forge Volunteer Fire Department
